

Antique Daisy Airgun Evaluation Form

The Daisy Airgun Museum is happy to help you to determine the age of your Daisy. Value of any antique or collectible is highly dependant on condition, rarity and demand. Therefore, we can only provide a value-range for each model as published in the Blue Book of Airgun Values* and not based on your specific sample.

The Daisy Airgun Museum is pleased to provide this service at no cost to you. In order to determine the most accurate dating, we need for you to supply as much information as you can. Please print this form, fill it out as completely as possible and mail to the Daisy Museum, 202 West Walnut, Rogers, AR 72756 Attn: Curator. You may write additional notes on the back of this form. Our curators will respond within four weeks.

All Daisy airguns are marked with a Model number or both a "No." and "Model".
